FOR THE RECORD

Changes NOT Approved

Let the record show the Federal Acquisition Regulation (FAR) for Contract Administration Office Functions has not been changed to ratify the decisions of the AFPRO supervisors, the M.S.P.B. presiding official (1985) nor the Court of Appeals (1986) and continues to this effect:

SUBPART 42.3—CONTRACT ADMINISTRATION OFFICE FUNCTIONS

42.301 General.

When a contract is assigned for administration under Subpart 42.2, the contract administration office (CAO) shall perform contract administration functions in accordance with this regulation, the contract terms, and, unless otherwise agreed upon in formal cross-servicing arrangements (see 42.101(a)), the applicable regulations of the servicing agency.

The desired change of those officials hoping for the FAR to become: "in accordance with regulations or anything any supervisor wants instead regardless of their propriety" has still not been approved.
